CYC has had a busy couple of months! We had a HUGE Christmas Event, so many families came out to enjoy a great family friendly night, with Free Rides and Amusements for the Kids, A visit from Santa and some wonderful local organisations holding food stalls.

We had an action packed Summer Holiday Program with a fantastic Skateboard Workshop with Grind Shrine. Another Booked out Paints and Shakes with Artist Mel Stone, a super splash slip n slide day to cool down with some water games and fresh fruit.

In January we were also involved in the Australia Day Awards.

We are back in full swing for our normal Wednesdays and Fridays.
With over 120 Kids attending each week,
lots of fun activities happening and some great events planned.

We are getting involved in so many fantastic community events, the next one being the Sea of Pink Fun Run.

With Thanks to **QCOAL** we were able to purchase some fantastic new equipment, skateboards, scooters and ramps.

Thank you so much to **OPAL RIDGE MOTEL** for providing food for our seniors the last Friday of every month. Our staff and kids really appreciate a delicious meal on a Friday night.

We have a jam packed Easter Holiday Program planned with an EasterTreasure Hunt, a Skate Night, and some super fun creativity days.

THANK YOU
